NOW YOU CAN JUST FOCUS ON WINNING...

BECAUSE WE'LL TAKE CARE OF THE REST.

With the perfect team to service your grounds and to keep your turf performing at its best, you won't need to worry about anything except winning games.

TUFF TURF SignatureCARE™ provides expert knowledge and customised service for all your synthetic turf maintenance requirements.

SignatureCARE™ PROGRAM

A SignatureCARE™ turf maintenance program will ensure your synthetic turf continues to look and perform at its best.

Tailored to suit your needs, SignatureCARE™ will provide you with a program of services ranging from general field inspections and minor repairs, through to comprehensive regular maintenance.

Whether your synthetic surface has been purchased from Tuff Turf or another supplier, is newly installed or years old, is a playground or a stadium, SignatureCARE™ will guarantee that your investment is given the care it deserves.

Each service is completed by our industry leading surface technicians who will not only provide you with high quality maintenance services, but also the right advice.

Specialty services available:

- All synthetic surface repairs
- Line replacement
- Temporary line marking
- Infill replenishment
- Drainage cleaning
- Surface sanitisation
- Static conditioning
- Sport accessory supplies

SignatureCARE™ TEAM

The SignatureCARE™ Team are comprised of specialist surface technicians who have been extensively trained in the correct management and maintenance of synthetic turf.

Dedicated to providing the best customer service and outfitted with state of the art equipment, our team ensures each client receives the best possible service at an affordable price.

Rest assured that your synthetic turf provides a safe and consistent playing surface and that it lasts as long as possible.

SignatureCARE™ SERVICE AGREEMENT

Each maintenance plan is tailored to meet the individual needs of clients and their facilities. The plan is then detailed in a SignatureCARE™ Service Agreement.

This means you can be sure your expectations are met every time, and we can provide you with only the highest quality care.

SignatureCARE™ SERVICE REPORTING

At each scheduled visit, the Tuff Turf SignatureCARE™ Team will compile a comprehensive report, which not only outlines the completed maintenance activities, but also provides recommendations on areas which may need addressing before they become a hazard.

The SignatureCARE™ Team utilise an integrated tracking system, which ensures that each maintenance plan is effectively managed and executed.
